## Edinboro Branch Library to Open Seed Library

Erie, PA – The Erie County Public Library’s Edinboro Branch will hold a grand opening event for its new seed library on Monday, June 24.

The event will be offered from 6 p.m. to 8 p.m. at the Edinboro Branch Library at 413 W. Plum St., Edinboro.

The event is free and no registration is necessary.

The Library, in partnership with the Erie County Department of Health, will be opening a seed library to provide the community with opportunities to grow new plants and share their favorite seeds. Gardening can be a fun and rewarding pastime, and the Seed Library will give patrons the opportunity to try new plants.

The event will feature Master Gardener Valerie Walton, who will present information on seed saving and preserving from 6 p.m. to 7 p.m.

For information on the Seed Library grand opening, please visit [events.eriibrary.org](http://events.eriibrary.org) or call the Edinboro Branch Library at 814-451-7081. For information on the Erie County Department of Health, please visit [eriecountypa.gov/health](http://eriecountypa.gov/health).
